WELCOME TO USIU-AFRICA

MESSAGE FROM THE VICE CHANCELLOR

PROF. MWENDA NTARANGWI
Vice Chancellor

Welcome to United States International University - Africa, one of the oldest private, secular universities in East Africa and among the few institutions on the continent with dual academic accreditation. As you embark on your journey with us, you will be guided and supported by exceptional faculty and dedicated administrative staff. Make the most of your time here by taking advantage of the many opportunities available to you, including this brief yet informative and useful catalogue.

The USIU-Africa experience is unparalleled in that our academic programs—be they Undergraduate, Graduate, or Short Professional programs—will offer you a solid base of knowledge through courses that provide a foundation in their specific knowledge areas. Beginning with foundational General Education that grounds you in knowledge, skills, and aptitudes for unchartered territories your trajectory here will take you to more specialized degree courses from business, the social sciences, science and technology, communication and cinematic arts, pharmacy, and health sciences.

Our faculty bring more than their extensive cumulative knowledge and experience to you through our state-of-the-art classrooms and lecture halls. They model the university's values and the character traits needed to thrive in today's modern, multicultural, technologically sophisticated, and dynamic world. USIU-Africa's co-curricular activities add to student learning by making you an all-rounded individual. You will find our interest groups and student clubs avenues for meeting new people, discovering your other talents, and being challenged to work in diverse and engaging ways. I hope you will take advantage of these to form successful networks with professional bodies and industry leaders, thereby enriching your USIU-Africa experiences and relationships.

Several successful USIU-Africa sports teams have dominated the sporting leagues in which they participate and these students exemplify the model of successful 'scholar-athletes' who take advantage of our all-round learning experiences.

In closing, I wish you success and an outstanding student experience that will "take you places" as you make your respective impacts in our community and, ultimately, on the world.

Karibu USIU-Africa!

PROF. PATRICK WAMUYU

Dean,
School of Graduate Studies

The School of Graduate Studies recognizes the importance of close coordination with the various Schools and centers that conduct postgraduate courses to guarantee efficient and consistent management of postgraduate studies at USIU-Africa. ALUMNI

The USIU-Africa Alumni Association is dedicated to nurturing a strong and enduring bond with all its graduates. As part of this commitment, all alumni automatically receive lifetime membership to the Association at no cost, following the waiver of the annual membership fee. Members also have the option to acquire a newly designed alumni card for a nominal fee of Ksh. 1,000, valid for three years. This card provides access to a variety of exclusive benefits, including use of campus facilities and Wi-Fi during its validity. These initiatives reflect our ongoing efforts to build meaningful and rewarding alumni relations, and we encourage all graduates to stay connected and take full advantage of these opportunities.

To further enhance alumni engagement and enrich the student experience, the Alumni Office has developed tailored programs that facilitate interaction between alumni and current students. In line with this, an Alumni Service Fee of Ksh. 350 per semester was introduced in Fall 2024 for all new students. This fee supports various initiatives aimed at fostering connections between students across all levels and the alumni community.

LOG ON CREDENTIALS

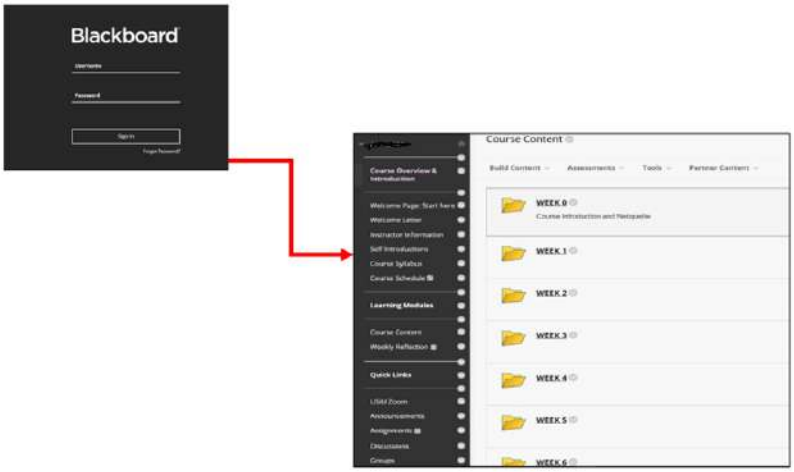
1. What username and password should I use to access the different services on campus?
Your username and password will be sent to you during the orientation week. If you are yet to receive yours, please contact the ICT Helpdesk stating your student ID number and full name. Email: helpdesk@usiu.ac.ke or WhatsApp: +254735000377

2. How do I change my password?
Log into the Password self-service portal and follow the instructions. The link to the portal is:
https://myaccount.usiu.ac.ke/showLogin.cc

LEARNING MANAGEMENT SYSTEM

1. What is Blackboard and how do I log onto it?
At USIU-Africa, we use a Learning Management System (LMS) called Blackboard which is an e-learning platform where you can access course material, assignments, CATS, announcements and the Safe Assign Plagiarism checker.
Blackboard can be accessed following the link below on you browser:
https://blackboard.usiu.ac.ke

username = As provided by the ICT Helpdesk
password = Your password provided by the ICT Helpdesk.



2. Where do I find my assignments?
Your instructor can add assignments to different areas of your course. You might access assignments from a link on the course menu called “Assignments.” Alternatively, your instructor might incorporate assignments into each week’s content. Ask your instructor if you have questions about how your course is organized. Your instructor can also create group assignments and provide access to them in the same areas as regular assignments. Group assignments may also appear in the My Groups panel after the course menu.

3. How do I submit an assignment?
When you finish your assignment, you must select Submit. If your instructor has not allowed multiple attempts, you may submit your assignment only once. Before you select Submit, ensure that you have attached all required files.
Open the assignment. On the Upload Assignment page, review the instructions, due date, points possible, and download any files provided by your instructor.

1. Select Browse My Computer to upload a file from your computer.
2. Optionally, type Comments about your submission.
3. Select Submit.

   The Review Submission History page appears with information about your submitted assignment and a success message with a confirmation number. Copy and save this number as proof of your submission. For assignments with multiple attempts, you will receive a different confimation number for each submission. You will also receive an email with your confirmation number and details each time you submit your coursework.

4. What is Safe Assign, and why is it necessary?
Safe Assign is a tool on Blackboard used to check the level of plagiarism for submitted assignments.

Note:IT and the eLearning office will be available to provide any Blackboard support throughout your studies.
Email: helpdesk@usiu.ac.ke or WhatsApp: +254735000377
