Master of Science in **Global Banking & Finance**

USIU-Africa is accredited in Kenya by the Commission for University Education (CUE) & the United States of America by WASC Senior College and University Commission respectively.

PROGRAM DESCRIPTION

A revolutionary program in banking and finance designed to provide quality specialized education in banking, finance and related studies by developing critical, scholarly and professional skill sets in all major fields of banking and finance for those working or aspiring to develop a career in the financial sector. The aim is to train global leaders in banking and finance. Students will find the course useful in professional programs such as Certified Financial Analysts (CFA), Institute of Certified Investment and Financial Analyst (ICIFA) and Association of Chartered Certified Accountants (ACCA).

Our MSc. Global Banking & Finance is comparable to the best MSc. or MBA Banking & Finance courses in Europe or America. This course will open your world to a global career.

LEARNING OUTCOMES

Upon completion of the Master of Science in Global Banking and Finance program, students will be able to:

1. Apply the knowledge of the evolution and workings of the global financial system in the marketplace.
2. Use the knowledge and skills acquired appropriately to banking and financial operations.
3. Evaluate alternative policies and theories in international banking and finance.
4. Conduct research on global banking and finance.
5. Adapt to different digital operations in banking and finance.
6. Adhere to ethical behavior in banking and finance environment.
