Corporate Governance

Cutting edge Corporate Governance Course.

- The changing technological environment has created a wide range of risks for the Board.
- Boards must handle the various risks that impact the organization, climate, social and governance, human rights, ethnic and gender diversity, disease epidemics and social responsibilities
- Corporate Governance therefore provides critical tools required by Directors, Members of Constitutional Commissions and Senior managers.
- The program will dissect Corporate Governance failures across the World, with specifics on Kenya.

Pillars

- Leadership
- Corporate Governance Principles
- Responsibilities of the Board
- Board Recruitment
- Anatomy of Corporate Governance Failures
- Legal issues for Board Members
- Characteristics of a good board
- Essentials of Board Audit Committee
- Risk Management
- Monitoring & Evaluation

Target Audience

- Board Chairman
- Members of Constitutional Commissions
- Directors of Public and Private Entities
- Newly Appointed Members of Boards
- Senior Management
- Entrepreneurs

Outcome

- Demonstrate deeper appreciation of Board Governance models
- Explain the dividing line between Board and Management
- Discuss Legal challenges facing Boards
- Analyse Cybersecurity challenges facing Boards
- Critique Monitoring and Evaluation

Mode of Training

- A Five-Day Course covering cutting edge Corporate Governance issues.
- A mixture of lectures, case studies, group discussions and videos
- The Course will be facilitated by both in house and external Experts in Corporate Governance

Reimagine the future of talent and industry
