

# CONGRATULATIONS

CLASS OF 2024

SATURDAY, OCTOBER 12, 2024

# The Dance Goes On

The rain came crashing down, Flashes with thunder's rumblings loud, Yet the dance never ceased. The sun scorched the ground, Igniting fire, razing everything around Yet the dance never ceased You waltzed through fields of thorns and briars Your heart aflame with burning desire And the dance went on You tangoed through waves of doubt and fear At times the music hard to hear But the dance went on Look at the path once uncharted And see the footsteps you imparted As the dance goes on And until your shoes lay tattered And your feet bruised and battered The dance goes on

# By Benaia Munywoki

BSc. International Business Administration, Class of 2024 Magna Cum Laude

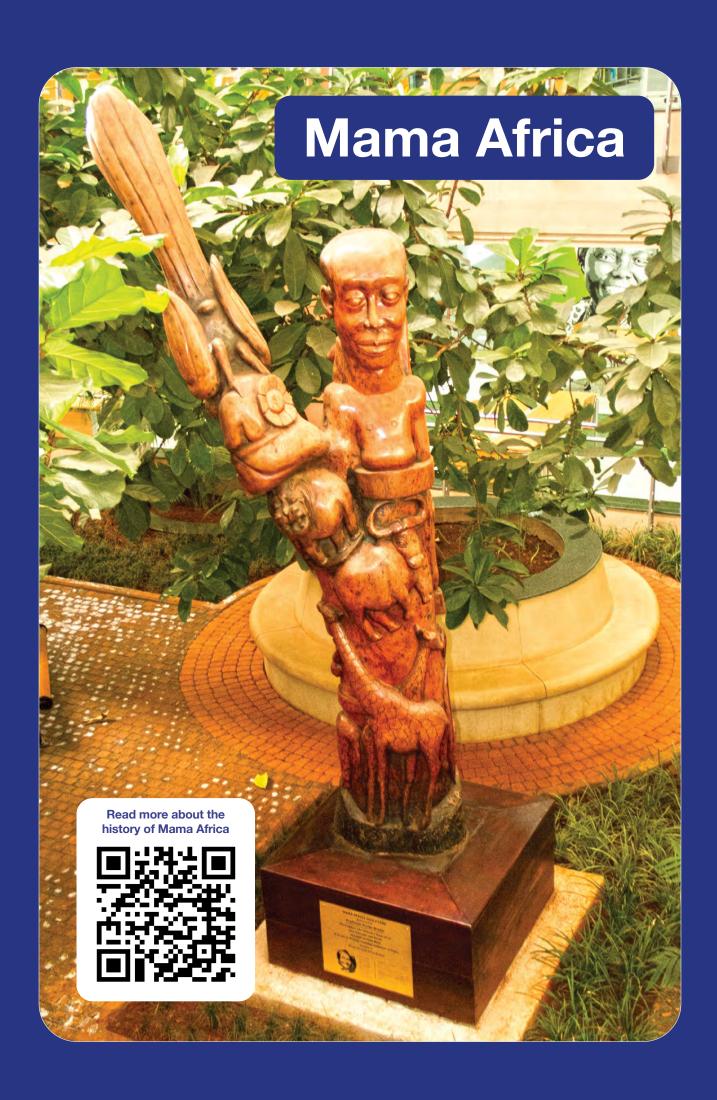

# **The USIU-Africa Alma Mater**

Oh! USIU of Africa,
Our Alma Mater dear
We'll crown Thee fairest Mater
Our School we love so dear.
For Thee we'll ever labor,
To keep Thee on thy throne
Oh, USIU of Africa,
Thy reigneth alone.

Oh! USIU of Africa,
Our Alma Mater dear
We'll cherish all thy precepts,
And serve Thee far and near.
We'll carry high your banner,
Your torch will ever burn.
Oh USIU of Africa,
We love you our own.

Oh! USIU of Africa
Our Alma Mater dear
We'll ne'er forget Thee Mater,
Your name we love so dear.
The noble lives of those who served,
To guide us on our way
Oh USIU of Africa,
God bless you, we pray.

# **Vision & Mission**

**Vision:** To be a premier institution of academic excellence with a global perspective.

Mission: To promote the discovery and application of knowledge, the acquisition of skills, and the development of intellect and character in a manner that prepares students to contribute effectively and ethically as citizens of a changing and increasingly technological world.

#### **Accreditation**

On September 18, 1969, USIU in Kenya was registered under the Companies Act (Cap 486). In 1970, United States International University established its Africa campus in Nairobi after signing an agreement with the Government of Kenya.

In 1982, the Africa campus received its accreditation as part of the USIU multi-campus system, from the WASC Senior Colleges and Universities Commission (WSCUC) – the body recognized and authorized by the US Department of Education to accredit universities and senior colleges in the western region of the United States.

In 1999, following legal reforms to the higher education sector, USIU-Africa received its charter from then-President H.E. Daniel T. Arap Moi. In 2003, the Africa campus separated from the rest of the USIU campuses, and subsequently sought and received independent accreditation from WSCUC as USIU-Africa in 2005. USIU-Africa's Kenyan accreditation is granted by the Commission for University Education (CUE).

This dual accreditation provides USIU-Africa graduates with worldwide recognition, enhancing their opportunities to secure employment, admissions, and scholarships for further studies wherever their ambitions take them.

# **Academic Programs & Faculty**

USIU-Africa has an illustrious 55-year history of high quality, student-focused teaching and learning, that has ensured each student acquires an international education in a multi-cultural campus with global exposure that distinguishes them in the market place.

The university hosts students from over 60 nationalities and offers 44 Undergraduate, Graduate and Doctoral programs through the Chandaria School of Business, the School of Humanities & Social Sciences, the School of Science & Technology, the School of Pharmacy & Health Sciences, the School of Communication, Cinematic & Creative Arts and the Graduate School. To remain competitive, we continually expand our academic programs to align with specific industry needs and address global challenges. In 2024, the university launched fully online programs after receiving accreditation from the relevant authorities in Kenya and the USA.

Our unique academic programs enable us produce graduates equipped with practical knowledge that can immediately be applied to solve the world's most pressing challenges. Our highly qualified faculty provide personalized attention to our students which inspires them to be high achievers in their chosen careers.

Our state-of-the-art campus offers the necessary facilities and services to stimulate learning and support student interaction such as smart lecture halls, modern library, labs, crime scene house, moot court etc.

We also encourage and train our students to develop teamwork, social, and leadership skills through participation in sports, clubs, community service, and student government activities.

# **EMPOWERED TO DELIVER EXCELLENTLY**

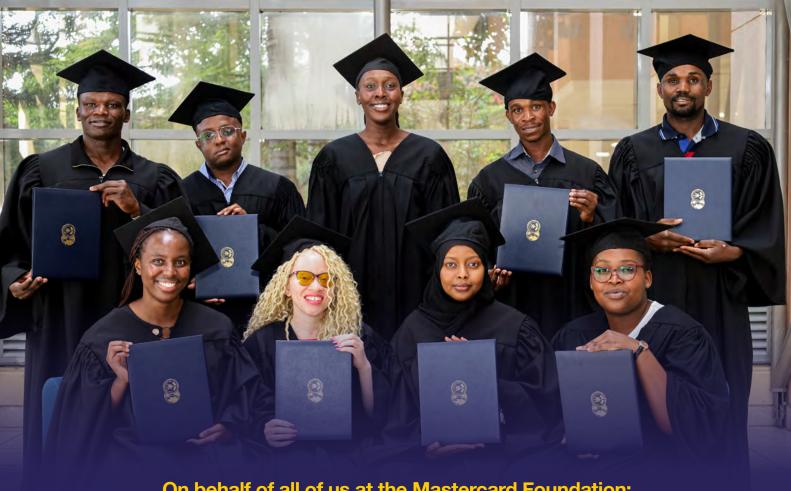

I am sure you have had time to reflect on your journey here at USIU-Africa and have many memories. Memories of laughter, of connections, of challenges, of last minute triumphs, and even catastrophes. But you have made it and you are now officially a member of the graduating class of 2024. This is the year I also joined this great institution and there are two things I have set as my guiding light for what I will do in my leadership excellence and integrity. It is not coincidental that the theme for this year is "Empowering Excellence." It is meant to be and we are connected by our individual and collective desire for excellence. Your education at USIU-Africa was the building blocks of your next steps towards excellence. I know you will go out and make a difference because that is what USIU-Africa graduates do. It is in their DNA.

As you chart that path, please pay attention to the following areas that when done well, will empower you to deliver excellence in all you do and become: first, strive to continually improve yourself in order to become the best version of yourself; second, don't just set goals for yourself, do so with purpose and passion, both of which should be grounded in the values we have emphasized here especially integrity and lifelong learning; third, set high standards for yourself and for those around you so that you are constantly challenging yourself and them to reach greater heights. Don't settle for the normal; and fourth, always strive to make a positive impact in your community and the world. If you live your life guided by these four areas, I am confident that you will have an excellent life!

Go out, serve and be the best and keep us informed of your exploits so we can celebrate you.

# Congratulations Class of 2024!

Prof. Mwenda Ntarangwi Vice Chancellor

On behalf of all of us at the Mastercard Foundation:

# Congratulations on your graduation!

All of your hard work has paid off. You've done it! We could not be prouder of you. We join your families and friends in celebrating this important milestone in your life.

We know this is an exciting time, but it may also feel daunting. Here is what we hope you'll remember: As you look out to the future, it's always looking back to you. It is as bright as your ambition is bold, as innovative as your imagination is wild, as strong as you are hopeful, and as secure as you are resilient. It's not pre-determined, it is pliable. It is yours to shape, and you are ready for that task. You are prepared for that work.

This is what the Mastercard Foundation Scholars Program has been preparing you for: the work of leading and serving your communities and countries. The work of solving old problems, building new products, and scaling solutions. The work of leaving things better than you found them.

In this next phase of your journey, remember to hold on to the values that define you. Be kind. Honest. Humble. Courageous. Hold fast to the friendships that have carried you to this success—even as you forge new ones. Please stay connected to your fellow Mastercard Foundation Scholars through the Baobab Platform, on Facebook and Instagram. Remember, the path of leadership can't be travelled alone.

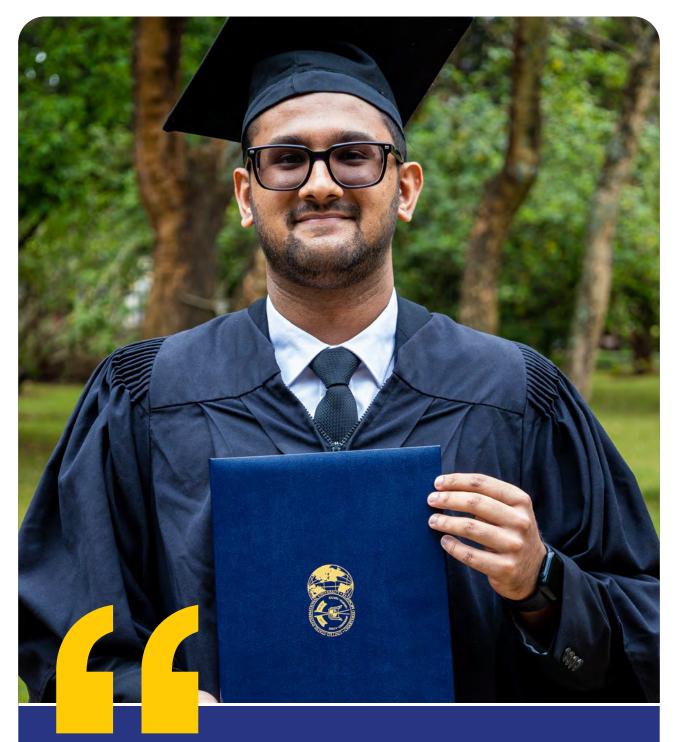

We look forward to seeing what you do with your education and how you shape your future. We know you will do something remarkable.

We're rooting for you.

Ms. Reeta Roy, President and CEO. Mastercard Foundation

#### REUBEN WARAMBO MEMORIAL AWARD

This award is presented in honor of the late Reuben Warambo, an exceptional junior student whose passion for learning and dedication to USIU-Africa embodied the university's values in ways unimagined. This award is presented to the most outstanding student in the BSc. Applied Computer Technology program.

#### 2024 OUTSTANDING COMMUNITY SERVICE AWARD

The Community Service Award is given to an all-rounded student who exemplifies the university's core values within the community, throughout their study at the university.

#### **Graduation Honors**

Graduation Honors of **Summa Cum Laude, Magna Cum Laude** and **Cum Laude** are conferred upon undergraduate candidates who have achieved grade point averages of 3.90 - 4.00, 3.70 - 3.89 and 3.50 - 3.69 respectively, for their four years of college study.

The honors will be announced.

NB: Honors are not conferred on graduate students.

## **DISCLAIMER**

The appearance of a name in this program or the attendance of the graduation ceremony is not necessarily a valid indication of graduation.

The university diploma and official complete transcript provide the only authentic testimony to the conferring of the degree.

**United States** International University-Africa Education to take you places

> A COMMENCEMENT is an auspicious and memorable occasion, especially for the graduates, parents and sponsors. At United States International University-Africa, we

are proud to be able to offer the opportunity of a college education to worthy aspiring

students who often overcome great hardships to pursue their goals.

The Vice-Chancellor, members of faculty and staff of USIU-Africa wish to extend to you,

the graduates our sincere congratulations and our warmest wishes for a future that is

all you desire. The students make the institution a multicultural, multi-ethnic meeting

place where each learns that differences in outlook are something that dissolves in

pursuit of excellence.

We salute you, the graduates for having maintained a conscious spirit of camaraderie

and perseverance to achieve not only the academic recognition of a university degree,

but also the personal fulfillment of having done so in a spirit of equality among your

fellow students.
