

Name:	CAROLINE MUGADI
Graduation Year:	2019
Program/Major:	MBA (GLOBAL BUSINESS MANAGEMEN)
Position vied for:	TREASURER

### **Personal Statement/Profile**

It is a privilege and honor to be nominated for the elective position of Treasurer, USIU Alumni. I believe my long experience in financial markets and particularly as Treasurer gives me deep insights into the needs of the USIU Alumni office.

I am a Consultant for Financial Sector Deepening (FSD) Africa and Kenya Bankers Association (KBA). Previously, I was the Regional Business Lead, East Africa and Indian Ocean Islands for Thomson Reuters (now Refinitiv). Prior to that I was Solution Consultant, Sub-Saharan Africa at Misys International Banking Solutions (now known as Finestra). My involvement in various roles and committees especially as Treasurer, Board of Management, The Co-operative Bank of Kenya; Director, Womens' Committee, Kenya Rugby Union(KRU) and Treasurer, Kenya Hockey Umpires Association (KHUA) puts me in a strong position to understand the needs of the key stakeholders.

I have an MBA, Global Business Management from USIU(class 2019), Post Graduate Diploma in Financial Management and BSc. Mathematics and Chemistry from Moi University. At USIU, I was truly impressed by how the Alumni have scaled their careers and supported others with their generosity. I am only aware how we can add value and impact others.

I am a business leader with hands on experience, global perspective, multicultural awareness, strategic perspective and results orientation. I believe in delivering value to stakeholders. My goal therefore is to work together with the Alumni office and leadership to ensure we live a profound mark by strengthening our interface by leveraging technology in line with our Alumni values of networking, leadership, mentorship and communication.
