IF

If you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you,
But make allowance for their doubting too:
If you can wait and not be tired by waiting,
Or, being lied about, don't deal in lies,
Or being hated don't give way to hating,
And yet don't look too good, nor talk too wise;

If you can dream - and not make dreams your master;
If you can think - and not make thoughts your aim,
If you can meet with Triumph and Disaster
And treat those two impostors just the same:.
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build'em up with worn-out tools;

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings,
And never breathe a word about your loss:
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,
Or walk with Kings - nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much:
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the Earth and everything that's in it,
And - which is more - you'll be a Man, my son!

By Rudyard Kipling

The USIU-Africa Alma Mater

Oh! USIU of Africa,
Our Alma Mater dear
We'll crown Thee fairest Mater
Our School we love so dear.
For Thee we'll ever labor,
To keep Thee on thy throne
Oh, USIU of Africa,
Thy reigneth alone.

Oh! USIU of Africa,
Our Alma Mater dear
We'll cherish all thy precepts,
And serve Thee far and near.
We'll carry high your banner,
Your torch will ever burn.
Oh USIU of Africa,
We love you our own.

Oh! USIU of Africa
Our Alma Mater dear
We'll ne'er forget Thee Mater,
Your name we love so dear.
The noble lives of those who served,
To guide us on our way
Oh USIU of Africa,
God bless you, we pray.

Vision & Mission

Vision: United States International University- Africa will be a premier institution of academic excellence with a global perspective.

Mission: To promote the discovery and application of knowledge, the acquisition of skills, and the development of intellect and character in a manner that prepares students to contribute effectively and ethically as citizens of a changing and increasingly technological world.

Accreditation

In 1970, the United States International University established its Africa campus in Nairobi following the signing of an agreement with the Government of Kenya in 1969.

In 1981, the Africa campus received accreditation as part of the overall accreditation of the USIU multi-campus system, from the WASC Senior Colleges and Universities Commission (WSCUC) – the body recognized and authorized by the U.S. Department of Education to accredit universities and senior colleges in the western region of United States.

In 1999, following legal reforms to the higher education sub-sector, USIU-Africa became the second university to receive a formal charter from then President H.E. Dr. Daniel T. Arap Moi.

In 2001, the Africa campus separated from the rest of the USIU campuses, then sought and subsequently received independent accreditation from WSCUC as USIU-Africa in 2005. Kenyan accreditation is granted by the Commission for University Education (CUE).

The dual accreditation gives USIU-Africa graduates worldwide recognition and enhances their opportunities to secure employment, admission and scholarships for further studies anywhere their ambition takes them.

EYO (Educate Your Own)

It is with a warm and thankful heart that we have graduating students who have supported EYO and others who have benefited from EYO funding.

The Educate Your Own initiative has been operational since 2015, and was set up to financially assist students who have fallen into difficult times and require a semester's assistance to get back on their feet. Over the year's we have raised over KES 1 Million and supported over 21 continuing students and with your continued support we can impact more student lives.

A Legacy of Academic Excellence!
