Last Grade Point Average (GPA): How did you learn about USIU?

I understand the conditions that apply to Special Status Non-Degree or Audit Status. I understand to become candidate for a degree; I must complete the formal admissions procedures and meet all requirements for admissions to a degree program. I agree to abide by the policies and regulations of United States International University as outlined in the USIU Catalog. A maximum of twelve (12) Undergraduate Semester units and One (1) Semester of Graduate coursework taken as a Special Status student may be applied towards a degree at USIU once regular admission requirements have been met. In cases where there is limited class space, Degree seeking students will have enrollment PRIORITY over Non-Degree applicants.

I certify the above to be true:
