

## An Opportunity to Study Abroad USIU-AFRICA/SCIENCE PO UNIVERSITY, FRANCE - EXCHANGE PROGRAM

Applications are being accepted from undergraduate students desiring to study abroad at **Science Po University, (Paris Campus), Paris, France** for Autumn Term-one Semester (Beginning September 2024 – December 2024) – **Two (2) Students Will Be Selected**. Visit: <https://www.usiu.ac.ke/student-exchange>.

### About Science PO University:

The Paris campus is Sciences Po's original campus. It is located in the Saint-Germain-des-Prés district, five minutes from the Louvre Museum and the Latin Quarter, and close to many other monuments and the major institutions of the French Republic. The campus provides several courses taught in English. Students are introduced to the basics of law, economics, history, political humanities, political science and sociology. Campus life is also rich with the various associative commitments proposed and many events organized there. With the choice of more than 80 artistic, trade union, political, cultural and humanitarian associations, students are encouraged to participate in activities that develop their collective sense and responsibilities.
